

After Hours Entry

Remington Oaks Building is open from 6:45 AM to 6:00 PM. If you are instructed to arrive before or after hours, you will need to enter via the side door. This is located on the right hand side as you face the front of the building.

There is a keypad next to the door. Press the number 3; this will bring up "Aesthetic Enhancement Cosmetic Surgery & Laser Center". Then press the # sign. This will initiate a call to the office, wait for someone to answer, tell them you are here for surgery and they will buzz you in.

Once you are inside the building, take the elevator to the second (2nd) floor. Go towards the glass doors that say "Aesthetic Enhancement", make a left down the hallway to the first (1st) door on the right. This is suite 250, which is the surgical center. Enter and check in with the nurses at the nurse's desk.

Make sure that you leave a name and number where your ride can be reached after your procedure is through.

On the day of your surgery, we ask that only one (1) adult accompany you to the office. We ask that NO CHILDREN accompany you or your transport person. This is due to limited seating and health risk to our postoperative patients. Thank you for your understanding in this matter.

We appreciate your cooperation with these issues. If you have any questions, call the office at 210-496-2639.
